Lesson 1: Digital Marketing Fundamentals

Digital marketing encompasses all marketing efforts that use an electronic device or the internet.

- SEO: on-page and off-page optimization, keywords, backlinks
- Content marketing: blogging, video, podcasts
- Social media marketing: organic vs. paid, platform differences
- Email marketing: list building, open rates, CTR, automation
- Pay-per-click (PPC): Google Ads, Meta Ads, bidding strategies
- Analytics: Google Analytics 4, key metrics (bounce rate, session duration, conversions)
- Conversion Rate Optimization (CRO)
- Marketing funnel: awareness -> interest -> desire -> action

Key concept: In digital marketing, everything is measurable. Data drives decisions.
